

We Are Los Ranchos!

Event: Let's share photos, which captures your church's "Participating in God's Redemptive Work through Jesus Christ in the World" this year.

How: Send one or two photos with your church's name and a short explanation to wearelosranchos@gmail.com by Nov18. Next gathering is Nov 30. **The photos will be displayed at the next gathering.**

Why: 1. To take a look at how Jesus Christ is working through Los Ranchos churches this year
2. To celebrate unity in diversity
3. To authentically connect each other
