**STANDING RULES**

**2.0 MEMBERSHIP**

- a) Each church shall be represented by elder members commissioned as provided for in the Form of Government:

Churches with membership up to 500 shall have one elder member representative:

501	to	1,000	: 2 elders	1,501	to	2,000	: 4 elders
1,001	to	1,500	: 3 elders	2,001	to	3,000	: 5 elders

Above 3,000 members, there shall be an additional elder representative for each 1,000 additional members.

- b) In addition, elders elected to or serving on Council and Trustees shall be named as commissioners;
- c) Additional elder members may be commissioned by sessions of churches identified by presbytery if an annual January determination by the Stated Clerk indicates that the number of resident and able-to-attend Ministers of the Word and Sacrament members exceeds the number of elder commissioners identified in "a" and "b". The following process will be used to identify such sessions and to redress any imbalance:
- (i) One ruling elder commissioner shall be added from each congregation whose most recent annual statistical report reflects a majority membership of individuals recorded as other than "White."
  - (ii) Should further ruling elder commissioners be required in order to redress any imbalance between ruling elder and teaching elder commissioners, the Stated Clerk shall by a random process establish a list of all of the presbytery's congregations. One additional ruling elder commissioner shall be added from each congregation on the list in descending order until balance is achieved.

To equalize the number of ruling elder commissioners to presbytery, and to do so consistent with actual membership, the following plan is recommended:
