

THRIVE is coming to Denver and San Diego.

THRIVE — short for Thinking Retirement: Identity, Vocation, and Economics — is the Board of Pension's pre-retirement seminar and is designed for Benefits Plan members who are 10 or fewer years away from retirement, and their spouses or surviving spouses. This includes part-time employees who are enrolled in any benefit from the Benefits Plan.

THRIVE covers subject matters such as financial planning and retirement healthcare options as part of a larger exploration of identity, health, and vocation in retirement. The seminar is taught by Board University educators and other experts throughout the country. It includes interactive and hands-on learning opportunities.

THRIVE Denver will be July 18-19 at Wellshire Presbyterian in Denver. Registration begins May 9.

THRIVE San Diego will be July 25-26 at Point Loma Community Church. Registration begins May 16.
